

A S S I G N M E N T

WHEREAS, I, ANTHONY MAGLICA, being a citizen of the United States of America, have invented certain new and useful improvements disclosed and claimed in United States Letters Patent 4,577,263, issued on March 18, 1986, and entitled "Miniature Flashlight";

AND WHEREAS MAG INSTRUMENT, INC., a California corporation having a place of business at 1635 South Sacramento Avenue, Ontario, California 91761 (hereafter, together with any successors, legal representatives or assigns thereof, called "Assignee") wants to acquire the entire right, title and interest in and to said improvements and patent;

NOW, THEREFORE, for a valuable consideration, the receipt of which is hereby acknowledged, I have sold, assigned, transferred and set over, and do hereby sell, assign, transfer and set over to Assignee the entire right, title and interest in and to said improvements, and said patent and all divisions, substitutes, and continuations thereof, and all United States Letters Patents that may be granted thereon and all reissues and extensions thereof, and all priority rights and under the International Convention for the Protection of Industrial Property for every member country, and all applications for patents (including related rights such as utility-model registrations, inventor's certificates, and the like) heretofore or hereafter filed for said improvements in any foreign countries, and all patents (including all extensions, renewals and reissues thereof) granted for said improvements in any foreign countries; and I hereby authorize and request the United States Commissioner of Patents and Trademarks, and any officials of foreign countries

whose duty it is to issue patents on applications as aforesaid, to issue all patents for said improvements to Assignee in accordance with the terms of this assignment;

AND I COVENANT that I have full right to convey the entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith;

AND I FURTHER COVENANT and agree that I will communicate to Assignee any facts known to me respecting said improvements, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, substitute and reissue applications, make all rightful oaths or declarations and generally do everything possible to aid Assignee to obtain and enforce proper patent protection for said improvements in all countries.

This assignment of rights shall be and was effective as of the date of issuance of U.S. Patent No. 4,577,263, on March 18, 1986.

IN TESTIMONY WHEREOF, I hereunto set my hand this 24th day of June, 1986.
